---

## “Don’t be shy, show the world your true skills and not crime”

---

A 2014 study published by RAND Corporation, *“How Effective is Correctional Education, and Where Do We Go from Here?”* critically analyzes results across 267 empirical studies, performing what is called research “met analysis.”

1. “43% lower odds of recidivating than inmates who did not.” and
2. Correctional education is a cost-effective initiative than housing.

---
